## New! Volunteer Role Changes

After much consideration and discussion with volunteers, the Docent and Match Maker positions were eliminated and responsibilities will return to:

- Front Ambassadors - inside Welcome Center
- Back Ambassadors - inside shelter or where ever needed
- Adoption Assistants (This is an invitation position, and volunteers can apply.)

### Volunteer Shirts - Update

Trained volunteers are encouraged to wear new Cat Depot logo shirts, but may wear any Cat Depot logo shirt with the exception of special events where volunteers may be asked to wear red Cat Depot shirts. This decision was made, after numerous volunteers requested that they continue to wear previously purchased shirts.

Example of special events:

- Adoption events
- Tabling events
- Events or activities in which shirts are needed for visibility or requested by Cat Depot

Note: Only volunteers who have taken volunteer training may purchase volunteer red shirts. Shirts may be purchased through Margit Marquardt, Retail Manager.

T-Shirts: \$8.00

Polo Shirts: \$10.00

Adoption Assistant polo shirts should be worn when working the Adoption Assistant position - or the Cat Depot red shirts may be worn.
