Bianca the Bengal

Did you know that Bengal's are known for liking water and require a large amount of attention to keep them happy? Bengals also enjoy playing and have been recorded jumping over four feet from the ground.

Meet Bianca, our newest Bengal, who was found outside and is a four paw declaw. Not only is she gorgeous, but she also has the distinctive Bengal meow and is quite a talker.

Bianca is trying to adjust to shelter life while yearning to go to a home where someone can give her love all day.

Blueberry

Blueberry is a beautiful one year old, who loves being touched. She was born with limited vision in both eyes, so her world is one of shadows.

Blueberry lived outside on her own for some time, and life taught her to hide during the daytime. She feels safest snuggled under a soft blanket.

It would take a very special someone to open their home and heart and give her lots of love. So, Bow-Tie, Cat Depot spokescat, stepped up to the challenge! He is keeping a watchful eye over this sweet girl, and she is already coming out from under her blankets. Thank you Bow-Tie and Nancy Colby for once again adopting a special needs kitty. Your continued devotion and compassion never ceases to amaze us.

Cookie

Cookie is currently residing with her foster parent. She is diabetic and requires a proper diet and timely insulin twice a day.

Although she is well cared for in her foster home, the best place for her is in a permanent and loving home with no other cats in a stress-free environment.

If you are interested in adopting this special needs kitty, please contact Cat Depot. She is available to meet you at her foster home.

Eight Days a Week

"...hold me, love me, hold me, love me, I ain't got nothing but love, babe, eight days a week..."

Cat Depot is pleased to announce the live auction of an 8-day safari for 2 donated by Go Touch Down, African Travel Specialists. The auction will take place during the Love Me Do Gala on Saturday, March 5, 2016 at the Hyatt Regency, Sarasota.

Safari - the mere mention of the word motivates a flurry of enthusiasm. Every day on Safari is an experience. No two Safari drives are the same. It is unpredictable, it is serendipitous; it is Africa.

Journey with us through the untamed, spectacular and pulsating rhythm of the African bushveld. Our safaris depart from the USA every week and include all meals and accommodations, private driver and guide, several daily excursions, all ground transportation and personal cell phone.
