Angelina Jolie

Angelina came to Cat Depot with an ulcer on her lip from an allergy. Although she has healed nicely, she will always have a unique, but sweet, look.

Angelina is on special food to keep her allergies from flaring up again, and also receives allergy medication every other day.

She loves to play with balls, mice, and other toys, and is very talkative. This friendly girl loves attention. Just sit with her a few minutes, and she will win your heart!

Kitten Season is Almost Here

Cat Depot has 50 kittens in foster already with anticipation of many more to arrive over the next few months.

Thank you to our 110 foster families who are always willing to answer the calls for help - some times responding within an hour's notice.

Cat Depot would not be able to save so many lives without its dedicated foster parents!

Community Food Bank

Did you know that Cat Depot distributes over 19,500 lbs. of dry food and 8,750 cans of wet food a year? We help to feed 240 personal pets and over 500 community cats.

Next time you are shopping, think about the cats depending on someone to feed them. (and look for those BOGO sales). Any brand of dry or wet food is greatly appreciated on a monthly basis.

The kitties will thank you!
